

## Understood End Time Prophecies to Timeline (Part 1)

**The Final 21 Years (and 22<sup>nd</sup>):** 2011/2012 to 2031/2032 + the Jubilee. (Years go from Spring to Spring). Consider also the flow. God was first and HIS people are the Jews. Then Jesus came and said He came for His lost sheep, Israel. Then came the Holy Spirit for the bride. In the end times it's reversed. The Holy Spirit will leave with the bride (as we see peace is gone at the 2<sup>nd</sup> seal), the Son will come for His lost sheep (as we see Him coming at the end of the 6<sup>th</sup> seal), and GOD for HIS people Judah.

[Genesis 29:19-30](#) Jacob will serve 7 years for Rachel. In verse 20 he says they seemed but a few days. Why because he loved her. Those same “easy or fast passing” years, are the years from late 2011 to late 2018. Jacob did not get his first wife until After the 7 years. He got Leah as we know. This is the Escape group/ the Bride. This group is the one the Holy Spirit has been working on and building up. [Genesis 24](#), when Abraham's eldest and head servant who had rule over all he had was told to go get a bride for his son Isaac. This is the representation of the Holy Spirit that was given rule over all that is the Lord's. Then Jacob worked another 7 years to finally get Rachel. He does not say easy, but just that he fulfilled them and got her. These are the years 2018/ early 2019 to 2024, the years of the Seals (the 2<sup>nd</sup> set of 7 years). This 2<sup>nd</sup> group are the ones Jesus originally said He came for, [Matthew 15:24](#) ...I am not sent but unto the lost sheep of the house of Israel. This is that group, those that will be Raptured! The Rapture will be in 2024. Then we see Jacob worked another 7 years in verse 30. For a total of 21 years, however what did he work for in those last 7 years. The answer is in [Genesis 31:41](#) he says he worked 14 years for his two wives and “6”? not 7 for... cattle. Now before we get into 6 years compared to 7 years, let's understand the “cattle”. We're given understanding of the cattle as being represented as Judah in [Zechariah 2:4](#) ... saying, Jerusalem shall be inhabited as towns without walls for the multitude of men and cattle therein. Remember Jesus didn't come for Judah. GOD will deal with them in their time. Now why does he say 6 years when in chapter 29 he said 7 final years? The answer is in [Genesis 31:44-55](#). He makes a covenant with his father in law in that final year. From this we now get greater understanding in [Daniel 9:27](#) where there's a covenant confirmed with many for 1 year is the final end time understanding of it. Of which the evidence of it comes from Genesis 31 as well as others in the New Testament which we'll get into more in another section.

So what do we have? 7 years (Holy Spirit for bride) + 7 years (Jesus for lost sheep) + 7 years (GOD for HIS people/ Jacob) = 21 years to the year 2031/32. Now the Lord said He would return after 2 days or as we're to understand 2000 years. Which would complete 6000 years and begin the 1000 year rest of the millennial reign. Now, it's believed He died in 31 AD, 32 AD or 33 AD. Which would clearly make His return from 2031 to 2033.

These understandings above would suggest 31/32AD. But what of the final year? Leviticus tells us of a Jubilee. It doesn't fully end at the end of the 49th year. Of which the 7 + 7 + 7 are the final 7s in the 49 years. Now there needs to be restoration which is the 50th year or Jubilee. [Leviticus 25:8](#) thou shalt number seven sabbaths of years unto thee, seven times seven years; and the space of the seven sabbaths of years shall be unto thee forty and nine years. [Leviticus 25:10](#) ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubilee unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family. We also see this represented in [Ezekiel 48](#) that we did a study on. Where it was revealed that [Ezekiel 33 to 47](#) were the final 14 years, the tribulation years or 7 years of Seals and 7 years of Trumpets, which we'll cover in more detail later as well, and that the 48th chapter is clearly the restoration of each tribe to their land! This is the year 2032/2033. The Lord will have returned feet down on the Mount of Olives at the 14th and final year of the tribulation as we read in [Zechariah 14:4](#) And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south. And as we also now understand from [Daniel 9:27](#) the final week / year, as discussed earlier.

So we have now found the final 21 years and the 22nd year which is the Jubilee. With each portion perfectly connected to each group. The Holy Spirit, Jesus and GOD. We did a study on this as well called, Who Has Who? Do you notice anything else it lines up with perfectly? The Hebrew alphabet! 22 letters. Or how about this, which in my opinion is clearly more revealing...the 14 final years of the 21 years just so happens to land at the 70th year of Israel having returned as a nation! This is the exact year of a generation, 70, as we've been told through the scriptures. AND IT'S NOW!

This understanding from the scriptures is only the start of their End Time revelations! We'll also go into Ezekiel as mentioned earlier and reveal the understanding from chapters 33 to 48. As well, we'll go into Zechariah to reveal the understanding it gives us about the final 14 years similar to how Ezekiel does. And many, many others. Then we'll breakdown Daniel 9's final End Time understanding as we also touched on. But next we'll get into a detailed overview of the understanding of the final 14 years
