So what is today's part three end time introduction all about? Well, it's something I've come to call the "Chapters to Years". So before we get too far along. Here's a link to the breakdown of those books and chapters we'll touch on today, for you to follow and understand "when" we're talking about, along the way. (updated Oct.2020 as more books have opened)

<https://drive.google.com/file/d/1X34vpyvvgu8N2WN4Yx1nmcJrMw-4Vwlwi/view?usp=sharing>

Remember, this is only an intro to this revelation, to show you how to look at these books with "end time eyes", as we like to say here in this ministry. So I'll only be touching on some of the main points to prove to you...that indeed they have opened and are speaking the same language. Meaning they're revealing information about events we have come to understand will happen during specific years. This came to be understood in part two of this series. Once we saw the truth and understood that the end time period was over 14 years or 2 sets of 7 years and not only one. It was key that opened this all up.

Like most everything else we teach here, this I believe is also going to be very important to those who will have been left behind! Which is why I say, if you can, print this teaching and the chart and add it as part of your left behind info for family and friends, along with the other 2 parts linked above.

So now let's have a look at this chart that we call the "Chapters to Years" (show). You'll notice along the top, I have 8 books from the Bible listed. When this first started to be revealed to me, it didn't start with all of them right away. It has been a process that I was only able to unfold as the 14 years became more and more clear. You'll also notice there's a row for 21 years and another for 14 years. I'll start by first showing the 21 year connection briefly. It's covered in greater detail part 2, the 14 Years. The big picture story, that's to say, for everything to be over and restored including the final Jubilee...is 22 years as you'll see at the bottom of the 21 year row. This 22 years is connected to the Hebrew alphabet which has 22 letters. And the beginning of the story, from year one is given to us in **Gen.29 - 31**. The story of Jacob working for his two wives and cattle. In Gen. 29 we see he worked 7 years before he received anything! This first 7 years I call, the working for the bride years. This is what's coming to an end in mere days from the making of this video!

The moment Jacob had completed his 1st 7 years, not a day before, but immediately after he had completed the 7th year he went to his father in law for his bride. The day he received her was DAY 1 or the very beginning of the 8th year! This is what's coming to an end as mentioned.

The "beginning" of it all from year 1, is the end time connection of chapters to years for **Genesis 1** and **John 1** where both start by telling us... "In the Beginning...". Or where we can say, in the end days...when the first set of 7 years began! Now let's see how this really proves itself out going forward. "In the beginning" was simply giving us the connecting clue from Genesis to John. But the focus, remember, isn't on the first 7 years because the tribulation or the 14 years remaining, hasn't begun. I call the first 7 years the time where the Holy Spirit has been working hard to bring in/ wake up the Gentile bride! But once that DAY 1 or the first day of the 8th year, which is the same as saying, the start of the remaining 14 years, is reached!!! Everything WILL Change forever! And That DAY Is the Holy Spirit's DAY!

So now let me be as detailed as I can. Covering as much as I can, now that I've laid a little ground work. Within the remaining time I have allotted for this video, let be as detailed as possible. To clearly reveal the Chapters to Years... the Opened Books!

Let's continue in Genesis and John, moving down to see what they talk about After the first 7 chapters of years? We see in Genesis 8 the story of the Ark. In verse 1 we see GOD "remembered" Noah and his family who are **in** the ark. And starting in verse 8 we see the dove being sent out for the first time, but finding no rest. Then returns and waits for 7 more days (years), then going out again and then 7 more days (years). What are we seeing happen here in Gen.8? The 14 day/ year story, like an overall big picture of the time that's about to begin. And it begins with Noah and his family in the ark! And remember it's given to us in **Genesis "8"**.

What do we see that compares when we go John 8;

John 8:3 we see a woman in adultery (the word adultery is representing a Gentile) being brought before Jesus and Jesus is bent down on a knee before her. The others turn and walk away and Jesus, left alone with her, looks up, this woman standing there in the midst of Him and He lifts Himself up, seeing none but the woman (**John 8:9-10**). It doesn't get any more visual with words than that! Christ down on a knee with His Gentile bride standing in the midst of Him. Again, consider this is happening in **John "8"**. How many chapters from 8 to 21... that's right 14! And it was the start of John 8!

Let's look at another book. But this time with 14 chapters, not 21 (meaning the first 7 are done, show chart), that also speaks of Christ known as the "Deliverer" getting His Gentile bride at the beginning of 14 years. Just as John's 8 was the start of 14 years. Let's go to Hosea chapter 1. First thing you'll notice is that it has 14 chapters. That's not by chance! I can assure you by the time we're done you won't think it was! You will understand that the division of the books and their chapters, were as Holy Spirit led as the writing of the books were!

To be sure Hosea is to the Gentiles we can go to;

Rom 9:24 Even us, whom he hath called, not of the Jews only, but also of the Gentiles?

Rom 9:25 As he saith also in Osee, I will call them my people, which were not my people; and her beloved, which was not beloved.

And what do we see in Hosea right from the beginning as we did in John 8? Jesus the “Deliverer” getting His Gentile Bride!

Hos 1:2 The beginning of the word of the LORD by Hosea. And the LORD said to Hosea (who’s name means Deliverer), Go, take unto thee a wife of whoredoms (again as John 8, the word means adultery) and children of whoredoms: for the land hath committed great whoredom, departing from the LORD.

This IS the Her Beloved who He said in Rom.9 was not, but now will be!!!! And again right at the start of 14 chapters! Seeing the picture?

How about another book that will show us Gentiles taken in the first of 14 chapters/ Years, just to be sure we’re getting this. Let’s quickly look at the book of Acts. You’ll see how it’s broken up as 2 ways of looking at events over two 14 year sets. Here’s a good place to let you also know that just because something happens in a chapter to any year, it doesn’t always mean it’s going to be at the start of that year. It could be the middle or end as well? How I’ve been able to discern the season for most of them. Was from the understanding that has become more and more clear, from the part 2, video about the 14 Years!

In these examples of the Gentile bride going at the beginning of the 14 chapters/ years. It’s because we’ve proven the Gentile bride is taken out at the beginning in the Pre Tribulation “Escape” or what some of you call the “rapture”. I don’t use that term for the pre trib, because the actual “rapture” comes later after the 6th seal during the 7th year of rest of seals. And I’ll show you that in these books to years as well. Ok back to Acts.

Act 15:14 Simeon hath declared how God at the first did visit the Gentiles, to take out of them a people for his name.

Act 15:15 And to this agree the words of the prophets; as it is written,

How many chapters...14! Over and over again the revelation comes to be revealed!

Now let’s quickly turn our attention to Judah. Just as Hosea was clearly written to the Gentiles for the end times (and I will show more). So is Zechariah written to the Jews for their end times. (which you will also notice has 14 chapters) Now, if you’ve watched the; Who the Gospels are Speaking To Intro teaching. You’ll know that the first country to be attacked and destroyed during the tribulation will be Israel/ Jerusalem, within weeks after the Escape of the Gentile bride. Now let’s see where we can find this in Zechariah?

Zec 1:12 Then the angel of the LORD answered and said, O LORD of hosts, how long wilt thou not have mercy on Jerusalem and on the cities of Judah, against which thou hast had indignation these threescore and ten years?

Zec 1:14 So the angel that communed with me said unto me, Cry thou, saying, Thus saith the LORD of hosts; I am jealous for Jerusalem and for Zion with a great jealousy.

Zec 1:15 And I am very sore displeased with the heathen that are at ease: for I was but a little displeased, and they helped forward the affliction. (the word affliction means, evil, sorrow, trouble, distress) This is the start of tribulation, war that will begin in Israel! You'll see as you continue reading in verses 18-21, where they've all been scattered!

And "when" did it say? In verse 12 it told us "these" 70 years. Again for those who watched the 14 Years intro teaching. You'll understand Israel's true 70th ended March 10, 2020. And that the LORD through the Spirit revealed His counting began at Pentecost or Feast of "Weeks" as **Daniel 9:24** told us. And as **Daniel 9:2** said when...."accomplish 70 years". Meaning after the completion of 70!

Let's see if we can move a little faster? As those seeking to draw closer to the Lord you can occupy in digging more closely, by referencing the chart in your own time, because we don't have enough time in today's Intro to go into everything... as much as I would love to :)

So let's go to the time frame of the 6th year/ end of the 6th year and into the 7th year of rest from the seals judgments. And while we're at it let's also add the first year time frame of trumpets which together would be chapters to years 6 to 8 in the 14 year books or 13 to 15 in the 21 year books. As we see here in the chart (show chart).

First off, by looking at Revelation 6 at end of the 6th seal we see;

Rev 6:16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

Rev 6:17 For the great day of his wrath is come; and who shall be able to stand?

We see they can see the LORD coming somehow? The question is How? Are you ready for this:)

In Rev. 7 we see a group get sealed followed by a great multitude now before the LORD. Remember, I said the "rapture" word use, was still coming? This is that time. And if we go to Rev.14 which the story continued forward from chapter 7, when those sealed are now ready and set to go to work.

What do we read? **Rev 14:1** And I looked, and, lo, **a Lamb stood on the mount Sion**, and with him an hundred forty and four thousand, having his Father's name written in their foreheads.

What is the Lamb doing on mount Zion? We've been taught He doesn't return feet down until the end of it all...on the mount of Olives?

For this breakdown let's start in Genesis.

Gen 13:14 And the LORD said unto Abram, after that Lot was separated from him, Lift up now thine eyes, and look from the place where thou art northward, and southward, and eastward, and westward:

We see that GOD is telling Abraham all this land he sees is going to be his. Now why is that happening here? Remember, Israel/Jerusalem were attacked and destroyed 6 years earlier! And the Lord is soon about to gather them back... after the 7th year, having allowed the land it's due rest. Now if we look at chapter 14 of Genesis (which equals 7th year of rest from seals), we see Melchizedek for the first time. Who is the type of Melchizedek? Jesus of course! And when is Jesus seen returning as the Lamb? At the end of the 6th year He's seen coming and in the 7th year of rest, in seals, we see the "raptured" group/ the great multitude from Rev.7, now before Him!!!

And how about Genesis 15 which would be equal to the first year of trumpets?

Gen 15:7 And he said unto him, I am the LORD that brought thee out of Ur of the Chaldees. *to give thee this land to inherit it.*

Gen 15:18 In the same day the LORD made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates:

We see He's brought them into the land and made a covenant. Just as He will do when He comes on mount Zion and Israel/ Jerusalem will begin to get rebuilt! And where do you think this should be found? If you guessed Zechariah you'd be correct! And which chapter would equal this same time as Gen.15? Yes...that's right...

Zec 8:2 Thus saith the LORD of hosts; I was jealous for Zion with great jealousy, and I was jealous for her with great fury. (remember in chapter 1 the LORD said "I am" jealous)

Zec 8:3 Thus saith the LORD; I am returned unto Zion, and will dwell in the midst of Jerusalem: and Jerusalem shall be called a city of truth; and the mountain of the LORD of hosts the holy mountain.

You see, He has returned on the mountain carved without hand. The Holy mount Zion is established in Jerusalem! Which is why in Rev. 14, as mentioned earlier, the Lamb was on it with the 144,000 ready to be sent out! Let's see what else Zech.8 has to say;

Zec 8:9 Thus saith the LORD of hosts; Let your hands be strong, ye that hear in these days these words by the mouth of the prophets, which were in the day that the foundation of the house of the LORD of hosts was laid, that the temple might be built.

Zec 8:10 For before these days there was no hire for man, nor any hire for beast; neither was there any peace to him that went out or came in because of the affliction: for I set all men every one against his neighbour.

Or how about from the book of Psalms? The year to chapter that relates in Psalms from one point is 25 (show chart). We should see talk about one of these things mentioned above, for this year, in it?

Psa 25:10 All the paths of the LORD are mercy and truth unto such as keep his covenant and his testimonies.

Psa 25:13 His soul shall dwell at ease; and his seed shall inherit the earth.

Psa 25:14 The secret of the LORD is with them that fear him; and he will shew them his covenant.

PS. This word for “covenant” is H1285. The same one from Gen.15:18 and in the chapter to years of Psalms, it's only found three times. Of which two are right here in the chapter to year of the Lord's return on mount Zion where He will make His covenant with Israel!!! And the third one you'll see a little later... so awesome!

Or how about from the higher Psalms?

Psa 125:1 They that trust in the LORD shall be as mount Zion, which cannot be removed, but abideth for ever.

Psa 125:2 As the mountains are round about Jerusalem, so the LORD is round about his people from henceforth even for ever.

Pretty clear isn't it! It was destroyed and they were not allowed to return until He brought them back, once the time of the 7 years of Tribulation of Seals had ended. And what will they be doing now? Rebuilding the city, wall, and the temple...just as Zech.8 tells them!

I said earlier I would also show you more in Hosea? Because don't forget, Hosea speaks to the Gentiles. And even though the bride was taken at the start,...the bride was not the whole church! Only the ready, watching and praying were the bride. Hence the rest of Hosea...to the sleeping church, left behind! If we go now to Hosea 6, we'll see what those having made it through 6 years of the seals are saying;

Hos 6:1 Come, and let us return unto the LORD: for he hath torn, and he will heal us; he hath smitten, and he will bind us up.

Hos 6:2 *After two days* will he revive us: in the third day he will raise us up, and we shall live in his sight

Hos 6:3 Then shall we know, if we follow on to know the LORD:

They're saying, we've endured tribulation, so let us return to Him. When is Hosea 6? 6th year of seals tribulation! And they're saying after 2 days/ or 2000 years is really what's being said (we'll come back to this later), and in 3 days/ or really 3000 years (after the millenium), we'll be raised to life and know if we'll live with Him forever!

Now keeping in this Gentile line of thought. Let's go to John, but in the next year from Hosea 6... which would be the 7th year of seals! This should be the “rapture” year chapter for John and it would be chapter 14 of John. So let's have a look (and show chart)

Joh 14:2 In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

Joh 14:3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also

And what have we shown this year equals? When He's come down on the mountain carved without hands! He's going to receive the "rapture" group into the place He has prepared in His Father's house! Right there in THE EXACT chapter to year it should be in!!! For those who have watched the other two intro teachings. You may have also caught that this says the Lord will "receive" them to Himself. This is exactly what He tells us in Mark who speaks to the "rapture" group!

In just these few pieces of Opened Books. I've confirmed the time frame of; the Escape of the Gentile bride, the beginning and end of the tribulation of seals, including the Rapture. As well as when the Lord is seen coming, and that He first comes down on Mount Zion the mountain carved without hand to receive His Rapture people. As well as, when He will make a new covenant, and Israel/ Jerusalem will begin to get rebuilt including the temple!

I realized at this point. There's simply no way for me, being as brief, yet as clear as I possibly can. Reveal this to the end...in only about 30 minutes. So I'm simply going to continue, in the briefest way, with as much clarity as I possibly can. To bring the rest of the revelation home to the end of trumpets!

Having seen the beginning of trumpets. Let's now jump to a Very Important period in trumpets! We know from Rev. 12:9 there will be a point at which Satan will lose his battle against Michael and be cast down to earth with his fallen angels. This is also the same time as Rev. 9:1, the 5th trumpet, when the angel comes down and the pit is opened! This period of time is mid trumpets, after approximately 3.5 years during which time, the city, walls and temple were being built. This is also the time frame referred to in Daniel 9:26 where Messiah will be cut off! Which makes sense now knowing what you've come to understand today and in the first 2 parts of the series. The only way Messiah could be cut off, is if He was here? Now you know.) This time of Him being cut off, is also shown to us in the book that speaks to the Jews/ Judah...Zechariah! For this to be in Zechariah it should be in chapter 11, which is about 10.5 years since the tribulation began (show chart). As stated, 7 years of seals have ended with the fullness of the Gentiles, followed by the city, walls, etc... getting rebuilt for the past 3.5 years or first half of trumpets. So let's see where this is found.

Zec 11:1 Open thy doors, O Lebanon, that the fire may devour thy cedars.

Zec 11:2 Howl, fir tree; for the cedar is fallen; because the mighty are spoiled: howl, O ye oaks of Bashan; **for the forest of the vintage is come down.**

Satan has lost his battle and been cast down to earth! He is the; vintage come down! Remember there were giants before the flood and after that, according to Genesis 6. They were also referred to as cedars trees for their size! This is going to be a horrific period of time for any left on the earth at this period. Let's keep reading in chapter 11.

Zec 11:9 Then said I, I will not feed you: that that dieth, let it die; and that that is to be cut off, let it be cut off; and let the rest eat every one the flesh of another. (horrific as stated)

Zec 11:10 And I took my staff, even Beauty, and cut it asunder, **that I might break my covenant which I had made with all the people.**

He's going to break His covenant because Satan has now fallen to the earth. The Lord cannot keep His covenant going during this period. But don't forget this is also the point now from Rev.12:14 when those who were there with the Lord will be protected. Having flown into the wilderness on the wings of an eagle, until all is passed. Right to the very end of all tribulation!

This period of events which was referred to in Daniel 9:26. Is a period of time also referred to in Daniel 12:7 called; *a time, times, and half a time*. This is the 2.5 year period of Satan and his fallen angels reign. And where does this bring us to? 7 years + 3.5 years + 2.5 years = 13 years.

So now we're at the end of 13 years, meaning there's still one to go! Let's have a look at the books:) For starters we see in Rev.11:15 at the 7th trumpet, which is also the start 7th year of trumpets. The Lord has returned! This one IS His return Feet Down on the Mount of Olives! And I'm going to prove it to you with the books! We can say it a couple ways? Meaning, the end of the 13th year or at the start of the 14th year. It's the same thing. Again, being in trumpets we should be able to find understanding in Zechariah! So let's go to chapter 14 to see what we can find;

Zec 14:4 And **his feet shall stand in that day upon the mount of Olives**, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.

And if you read the rest of the chapter you'll find out what Jesus does during that final year. While those who were taken into the wilderness and protected until the end, are still there being kept. Because in Rev.12:14 we're told they would be there for; a time, and times, and half a time. This period of time is 3.5 years not 2.5, as Daniel 12:7 was saying. And that's because Daniel 12:7 was telling us how long this crazy, wickedness of Satan would last!

This also means, if Jesus has returned Feet Down after 13 years, that this must also be the 2 days/ or really 2000 years to His return from His death and resurrection? Well, let's have a quick look at the chart again and see what year it was, at the end of the 13th year, when He returns Feet Down (show chart)? And as we can see, also from knowing a year goes from Spring to Spring, it would be approximately the Spring of the year 2033!!! Exactly 2000 years from when He left and we were told He would return Feet Down on the Mount of Olives!

Let's have a look at some more of these Opened Books to be sure we've got this? Let's start with Hosea! Remember in chapter 6 they were saying after 2 days/ 2000years, He would "**revive**" them! That word is H2421 the same used, as you'll see in chapter 14, and the only 2 places you find it in all of Hosea! The exact place it should be found as the year of His return after 2000 years!

Hos 14:6 His branches shall spread, and his beauty shall be as the olive tree, and his smell as Lebanon.

Hos 14:7 They that dwell under his shadow shall return; they shall **revive** as the corn, and grow as the vine: the scent thereof shall be as the wine of Lebanon.

Or how about we check Genesis again? Let's have a look at chapter 21 and see if there's a connection at the start?

Gen 21:1 And the LORD visited Sarah as he had said, and the LORD did unto Sarah as he had spoken.

Gen 21:2 For Sarah conceived, and bare Abraham a son in his old age, at the set time of which God had spoken to him.

Gen 21:3 And Abraham called the name of his son that was born unto him, whom Sarah bare to him, Isaac.

Gen 21:4 And Abraham circumcised his son Isaac being eight days old, as God had commanded him.

Gen 21:5 And Abraham was *an hundred years old*, when his son Isaac was born unto him.

Isn't that AMAZING! The Promise... Isaac, who we also know was a type of Jesus, is born! Or we could say, is COME, at the start of the 21st year which is the same as saying, the start of the 14th year! And what makes this even more incredible...when Abraham had his first son, Ishmael, he was 86 years old! And now at the Coming/ Birth of Isaac...Abraham is now 100 years old! **14 years later!**

How about we look quickly at John as well, since Genesis and John reflect each other? And remember, you can say the end of the 13th year or the start of the 14th year. In John we'll it as the end of the 13th year. Which in John will put us in chapter 20!

Joh 20:9 For as yet they knew not the scripture, that he must rise again from the dead.

In each Gospel, Jesus' resurrection is found in the last chapter. But in John only, is it in the second last chapter. Why? Because the Lord would return again after 2000 years and fulfill the final year Himself!

And when He comes at that final year... He will **RENEW the covenant he made**, at the start of trumpets as we showed earlier. Which He then broke, because of Satan having been cast down. So where can we find this? For starters, there was one last place I told you earlier, that the word "covenant" was found in the Psalms chapters to years. And that is again...right where it should be! (show chart for Psalms 132 to year).

Psa 132:11 The LORD hath sworn in truth unto David; he will not turn from it; Of the fruit of thy body will I set upon thy throne.

Psa 132:12 If thy children will keep **my covenant** and my testimony that I shall teach them, their children shall also sit upon thy throne for evermore.

Psa 132:13 For the LORD hath chosen Zion; he hath desired it for his habitation.

Psa 132:14 *This is my rest for ever: here will I dwell; for I have desired it.*

And finally...the place that has confused people forever;

Dan 9:27 And he shall **confirm the covenant with many** for *one week*: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

He's *renewing His covenant in the final year* and for all the abominations that were done during Satan's time, He...the Messiah, is going to make it desolate/ destroy it! Just as we see Him doing in **Zechariah 14** about half way down the chapter or about the midst of the "week"/ "year"

The 14 Years are now completed and All tribulation is now over! Only one thing remains? To bring those who had been protected in the wilderness for the final 3.5 years, back to Jerusalem!

Upon their return.....it will be the Final JUBILEE!!! As stated from the beginning. It will be the 22nd year or also referred to as the 15th from the tribulation years (show chart)!

Meaning? The 50th year of Jubilee, is the same as saying the 22nd year or the 15th year! Simply minus years by 7:)

Let's wrap this all up by showing it to you as well! I'll start with Ezekiel. It starts in the last portion chapter 47 and runs through all chapter 48!

Eze 47:13 Thus saith the Lord GOD; **This shall be the border, whereby ye shall inherit the land according to the twelve tribes of Israel:** Joseph shall have two portions.

Eze 47:14 And ye shall inherit it, one as well as another: concerning the which I lifted up mine hand to give it unto your fathers: and this land shall fall unto you for inheritance.

Eze 47:15 And this shall be the border of the land toward the north side, from the great sea, the way of Hethlon, as men go to Zedad;

.....

Eze 48:1 Now these are the names of the tribes. From the north end to the coast of the way of Hethlon, as one goeth to Hamath, Hazarenan, the border of Damascus northward, to the coast of Hamath; for these are his sides east and west; a portion for Dan.

Eze 48:2 And by the border of Dan, from the east side unto the west side, a portion for Asher.

Eze 48:3 And by the border of Asher, from the east side even unto the west side, a portion for Naphtali.

.....

Eze 48:35 It was round about eighteen thousand measures: and the name of the city from that day shall be, **The LORD is there.**

Let's end it with Psalms! (show chart)

Psa 33:3 Sing unto him a new song; play skilfully with a loud noise.

Psa 33:4 For the word of the LORD is right; and all his works **are done** in truth.

Psa 33:5 He loveth righteousness and judgment: [the earth is full of the goodness of the LORD](#).

...

Psa 33:8 [Let all the earth fear the LORD: let all the inhabitants of the world stand in awe of him](#)

And finally....

Psa 133:1 Behold, [how good and how pleasant it is for brethren to dwell together in unity!](#)

Psa 133:2 It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments;

Psa 133:3 As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the LORD commanded the blessing, even life for evermore.

And now in just these few, I'll say second half, pieces of Opened Books. I've confirmed the time of; Messiah's being cut off and the cutting off of the covenant He made with all, Satan being cast down to the earth and his 2.5 year reign. When Christ will return Feet Down on the Mount of Olives and Renew His covenant He cut off, and the final Jubilee where each tribe is given their inheritance!

And believe it or not...all these are but a few examples of the Opened Books; Chapters to Years understanding! I had so much more I wanted to add. But these Intro teachings are just that! They're designed to reveal the understanding without going too far and to catch people's attention to want to come ask questions, watch more and dig deeper themselves with the tools they've been given. In the incredible Holy Spirit led, End Time understanding, for such a time as this! So, please know that all this and more, is All covered in greater detail throughout other teachings done here in this ministry.

I recommend everyone who's able; to print, copy or download this teaching for your left behind packages, for family and friends. And not only this one, but part one and two's Intros as well.
